In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House,

together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¼ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (*see Journals*, 1901, page 58), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

PRESENT:

HIS EXCELLENCY THE DEPUTY-GOVERNOR-GENERAL IN COUNCIL.

**WHEREAS** the Board of Trustees of Beresford School District, Kamloops, have made application for 1.65 acres, situated in the south-west corner of the S.E.  $\frac{1}{4}$ , and the south-east corner of the S.W.  $\frac{1}{4}$  of Section 11, Township 19, Range 17, west of the Sixth Meridian, for a school site:

RODOLPHE BOUDREAU.

oc14

*Clerk of the Privy Council.*

[1942]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 18th day of September, 1909.

PRESENT:

HIS EXCELLENCY THE DEPUTY GOVERNOR GENERAL IN COUNCIL.

**THE** Minister of the Interior states under date 3rd September, 1909, that the Agent of Dominion Lands at New Westminster submitted in 1905 an application from Mrs. Stella Bingham Eldridge, of Vancouver, to purchase the north end of a certain point of land lying between Bedwell Bay and the North Arm of Burrard Inlet in fractional township West of Township 39, West of the Coast Meridian, and in submitting such application the Agent stated that the whole of this point was a rocky ridge with an occasional little spot near the water where a summer cottage or cottages could be placed, and that he saw no objection to the sale being made after a definite description of the land applied for had been furnished. Thereupon the sale was authorised, and on the 4th October, 1907, the said Agent of Dominion Lands at New Westminster, a proper description of the land applied for having in the meantime been furnished him, accepted from Mrs. Eldridge the first instalment, amounting to \$90.00, being at the current rate of \$5.00 an acre, on account of the purchase of fractional legal subdivision 5 of Section 25, the fractional N. half of legal subdivision 1, the fractional N. half of legal subdivision 2, the fractional N. half

of legal subdivision 3, and fractional legal subdivisions 7, 8 and 9 of Section 26, in fractional township West of Township 39, West of the Coast Meridian, containing a total area of 71½ acres. On the 4th January, 1909, the balance of the purchase money, together with the accrued interest, was paid by Mrs. Eldridge.

The Minister further states that when the sale in this case was sanctioned, the fact was overlooked that the parcels of land above described were included in a tract which was reserved on account of its proximity to Port Moody harbour, under authority of an Order in Council dated 5th January, 1887, from sale and settlement.

The Minister observes that under the circumstances he is of opinion that the sale to Mrs. Eldridge, of the land above mentioned, should be allowed to stand.

The Minister, therefore, recommends that the said Order in Council of the 5th January, 1887, be rescinded in so far as the land sold to Mrs. Eldridge is concerned, and that the sale to her of the said lands be confirmed.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
